

sardar Niamotullah

Aspiring Software Enginner
Final Semester Student at BRAC University

Experience

Assistant Director
BRAC University Computer Club
2021 - 2022

In this role, I led a team of 15+ members, coordinating and managing club activities and events. I developed and implemented strategic plans to enhance club operations and member engagement, while fostering a collaborative environment and providing mentorship and support to team members.

Executive
BASIS STUDENT'S FORUM
2020 - 2022

As a Marketing Executive, I executed digital marketing campaigns, enhancing brand visibility and conversion rates. My role included social media marketing and university outreach, effectively engaging target audiences and driving business growth through strategic initiatives.
